BWH Hotels Signs New Best Western Resort in Corbett, Uttarakhand

New Delhi, India 20th April, 2026

BWH Hotels India has announced the signing of a new Best Western resort in Corbett, Uttarakhand. Located near Jim Corbett National Park, the resort marks an important step in expanding into one of India's most popular nature destinations. The resort is designed for leisure travellers, wildlife lovers and corporate groups. It will offer around 100 spacious rooms, dining options, landscaped lawns, a swimming pool and a range of recreational activities to create a comfortable and memorable stay.

The project is being developed by Belvoir Hospitality and will be operated by BWH Hotels, bringing together strong development expertise and global hospitality standards.

This signing also reflects BWH Hotels India's growing presence in leisure destinations such as Manesar, McLeodganj, Kasauli and Dalhousie, where travellers are seeking well-designed and comfortable stays.

Atul Jain, Chief Operating Officer, BWH Hotels for India, Bangladesh & Sri Lanka, said:

“Corbett is evolving. Today, travellers are looking for more than just a visit, they want a meaningful experience. With this project, we aim to offer eco-friendly comfort while supporting responsible tourism.”

Himanshu Bhandari, Owner, Belvoir Hospitality, added: “Our goal is to create a stay that feels both special and easy. Working with BWH Hotels, we look forward to delivering hospitality that matches the beauty and appeal of Corbett.”
